If 'Record Status'

- Is there a record of course/round parameters available (Distances, target size, round rules etc.)?
- Are there adequate score cards

NB for a record status shoot this form must be completed and submitted in good time and all parameters must be correct at time of inspection
Failure to do so may result in record status being disallowed

This form MUST be emailed to safety@ifaf.ie prior to the published shoot start time.

A copy should be available on the day of the shoot at registration
